ORDER FORM

By this application, I have chosen IMPACT Communications to be my long distance carrier at a rate of 5.9¢ per minute for any interstate or intrastate long distance calls within the Continental United States. I authorize IMPACT to notify my local phone company to route my calls accordingly. I understand that I may choose only one carrier per telephone number and that the local telephone company may impose a charge for changing long distance carriers, which will be credited on the first months bill.
